nonprofit

Thank You Palm Springs Animal Shelter, Coachella Animal Network, and Animal Action League, and Traveling Paws for making possible this vital service of spaying and neutering community cats residing in the eastern portion of the Coachella Valley!

**1 female cat can produce 67 kittens in 2 years!
You help prevent 7,571 kitten births over the next 2 years!
(113 females spayed X 67 offspring = 7,571)**
